

Ashburton GASSHUKU 2015

Sat 08 – Sun 09 August 2015

Our 2nd Gasshuku in Ashburton was a great success, with more than 70 participants over the weekend.

This year the kids 9yrs and under trained for just 2 hrs on Saturday – 30mins with each of our 4 instructors. All other participants 10yrs+ were divided into age/ability groups and rotated around the 3-4 training rooms and everyone trained with each instructor. Our 4 instructors were: Sensei Duane Monk, Sensei Dennis May, Sensei Gene Browne, all from Auckland & Sensei Dieter Steinegg from Christchurch.

In between training sessions refreshments were served from the kitchen. A huge thank you again to all the JION parent helpers, who worked in the kitchen and BBQ and also helped clean up at the end of each day.

Here are some photos taken over the 2 day seminar:
